Take the pain out of payments with Ontik

Ontik is built specifically for builders' merchants, helping your accounts team get paid faster and spend less time chasing.

From sending branded payment links by text and email, to live aged debt dashboards, Ontik replaces manual follow-ups with smart automation.

Whether you're managing dozens of trade accounts or thousands, Ontik ensures you stay on top of who owes what – in real-time – and helps your customers pay you with a tap.

Features

MODERN PAYMENT COLLECTION

Send branded payment links by text or email – triggered manually or automatically. Cut the time spent writing emails or making calls and improve your cash position without friction.

LIVE AGED DEBT DASHBOARD

Know exactly who owes what and where your aged debt lies. View credit usage, payment history, and send reminders – all in one place, accessible from anywhere.

DISPUTE HANDLING MADE SIMPLE

Keep every conversation – phone call, note, email or text – in one place. See the full picture on each account and resolve issues faster to unlock stuck cash.

REAL-TIME REPORTING

Forget end-of-day or month-end crunches. Ontik gives you instant visibility across your book – making ad hoc queries and reporting effortless.

EASY INTEGRATION

Ontik connects directly to leading ERPs like Merlin, Unleashed, Intact, Kerridge (Klipboard), Epicor, and more. No need to change your systems – just streamline your workflow.

CASH COLLECTION AUTOMATION BUILT FOR MERCHANTS

Ontik is designed around the unique needs of builders' merchants. Whether you're a single-branch operation or a national network, it scales with you – helping your team focus on building relationships, not spreadsheets.

Benefits of using Ontik

FREE UP YOUR TEAM'S TIME

Automate low-value tasks so your accounts team can focus on solving disputes and supporting key customers.

GET PAID FASTER

Send smart reminders and payment links that make it easier for customers to pay – speeding up your cash collection cycle.

IMPROVE CUSTOMER EXPERIENCE

Branded communication and easy payment options help you stay professional and on brand, while improving trust and conversion.

REDUCE MANUAL ERRORS

Replace spreadsheets with live, connected systems that keep your team aligned and your books accurate.

TRUSTED BY MERCHANTS LIKE YOU

Clients like Collier & Catchpole, GH Brooks, Beesley & Fildes, A.W Lumb and more are already using Ontik to improve their accounts receivables process and reduce admin time.
